1.1	1:00	COLD OPEN	<p>LOCATION: Air Rider 1 Utama</p> <p>The Mouseketeers are at the ticketing lobby of Air Rider in One Utama.</p> <p>FAIZ <i>Okay guys, we're here. You said you have a surprise for me? Where is it?</i></p> <p>The rest of the Mouseketeers are all giddy and together hand him a letter from the MOuSE Institute, and Faiz gets very excited and opens the letter.</p> <p>FAIZ <i>*reading the letter* Congratulations! You have made it into the Malaysian Outer Space Exploration Institute programme and can now train to be an astronaut.</i></p> <p>All the other Mouseketeers congratulate him and party poppers go off while a banner that they made of Faiz in an astronaut uniform is revealed.</p> <p>FAIZ <i>*reluctantly* Er... thank you?</i></p> <p>CUT TO - Mouseketeers now all dressed in the overalls gear and helmet, and ready to fly. Hero shot of them walking forwards towards the camera. We pan across the cool faces of the Mouseketeers, but ending on Faiz, who's looking worried. (reference: <a href="https://www.youtube.com/watch?v=Zje91xTd6Lc">https://www.youtube.com/watch?v=Zje91xTd6Lc</a> 2.00-2.05 )</p> <p>We see Faiz very slowly and reluctantly getting in, finally the rest of the Mouseketeers push him inside that Air Rider, "Go! Go! Go!". Faiz is in and he starts flying around, while screaming "Argh! Get me out of here!"</p>

1.4	2:00	INTRODUCTION  (@ LOUNGE AREA)	<p>The lounge area is decorated to reflect the theme “Outer Space” and has the banner in the cold open hung prominently in the background.</p> <p>FAIZ <i>You guys, you didn’t have to do all this for me. Seriously.</i></p> <p>ERISSA <i>Nonsense! Of course we have to celebrate your achievement!</i></p> <p>ELLYA <i>We are proud to call you our friend and we want to show you just how proud we are of you!</i></p> <p>GABE <i>We also got you gifts to bring into space! Here you go! *hands Faiz a Buzz Lightyear toy* To infinity and beyond!</i></p> <p>WAFIY <i>Congratulations! Nah ni present daripada aku! (Here’s my present for you!)*hands Faiz a motorbike helmet fashioned to look like an astronaut helmet*</i></p> <p><i>Faiz looks at his presents and then looks at the Mouseketeers. He hesitates and then starts speaking.</i></p> <p>FAIZ <i>Guys, thank you for the gifts and everything, but I have to tell you something..</i></p> <p>ERIC <i>Hold on to that thought! Before you say anything else, we have one more present for you! To help you with your training, we have invited one of the very first Malaysians to go through the full astronaut training programme, Dr Faiz Khaleed! *points to the door*</i></p>

			<p>DR FAIZ KHALEED enters. All the Mouseketeers cheer for him.</p> <p>DR FAIZ KHALEED  <i>*sits near Faiz* HI, I'm Faiz.</i></p> <p>FAIZ  I'm Faiz too.</p> <p>DR FAIZ KHALEED  <i>So, you said you had something to say just now?</i></p> <p>Everyone looks at Faiz, who now looks very nervous.</p> <p>FAIZ  <i>Er... I... I actually just wanted to say that I am honoured to be selected for astronaut training and will try my best!</i></p> <p>ERIC  <i>That's great! We brought DR FAIZ KHALEED here to teach us a few things about space exploration!</i></p> <p>ERISSA  <i>You two even have the same name! It was meant to be!</i></p> <p>GABE  <i>DR FAIZ KHALEED, was it exciting training to go to space?</i></p> <p>DR FAIZ KHALEED  <i>Yes, it was a lot of fun! But there were many challenges during the training to be an Angkasawan (astronaut)!</i></p> <p>MELYNNA  <i>What was one of the biggest challenges?</i></p> <p>DR FAIZ KHALEED  <i>Well, we had to learn about all the things that could go wrong in a spacecraft and learn how to fix those problems, plus we had to learn how to do science experiments in space! There was also this spinning chair that spun around very fast that simulated the feeling of being in zero-gravity, it was very challenging to be in that chair for even a few minutes!</i></p>
--	--	--	---

			<p>MOUSEKETEERS <i>WOOW!</i></p> <p>MELYNNA <i>How about the space suit? Did you get to try one?</i></p> <p>DR FAIZ KHALEED <i>Yeah! And turns out it was heavy and hard to move around in!</i></p> <p>ERIC <i>Worry not, we'll prepare Faiz to be able to do that with a game! How's that sound?</i></p> <p>FAIZ <i>Um, sounds good?</i></p> <p>GFX TRANSITION</p>
1.5	4:30	GAME #1 - DO YOU WANT TO BUILD A SPACEMAN	<p>ERIC <i>Alright, this game is called DO YOU WANNA BUILD A.... SPACEMAN! We're going to have two teams - Faiz, Ellya and Gabe, you're on team...</i></p> <p>FAIZ/ELLYA/GABE COSMOS.</p> <p>ERIC <i>Wafiy, Erissa and MELYNNA, you're on team...</i></p> <p>WAFIY/ERISSA/MELYNNA GALACTIC</p> <p>ERIC <i>So each team has to pick a representative to be the model astronaut of the group. Who have you selected Team Cosmo?</i></p> <p>TEAM COSMOS <i>Our guy is Faiz of course!</i></p> <p>TEAM GALACTIC <i>And our astronaut is ____!</i></p> <p>ERIC</p>

			<p><i>Great! Now you each team has a big box of props and random items, and what you have to do is dress your astronaut up in the materials given and make the best, most convincing astronaut suit you can in 4 minutes! Afterwards both astronauts will have to do a catwalk to showcase the suit, and then our judge, DR FAIZ KHALEED will decide who has the better suit!</i></p> <p>DR FAIZ KHALEED <i>Oh yeah!</i></p> <p>ERIC <i>Alright, teams, on your marks, get set, blast off!</i></p> <p>THE TEAMS MAKE THEIR SUITS. ERIC AND ASTRONAUT FAIZ CHECK ON EACH TEAM THROUGHOUT THE PROCESS.</p> <p>ERIC <i>Alright, time is up! Drop everything! Both the astronauts, please come here to the start of the runway for your catwalk!</i></p> <p>GABE <i>Don't you mean 'space' walk?</i></p> <p>MOUSEKETEERS GROAN AT GABE. THE ASTRONAUTS GET READY AT THE START OF THE RUNWAY</p> <p>ERIC <i>Here we have the astronaut suit from Team Cosmo, Faiz!</i></p> <p>FAIZ DOES THE CATWALK. HIS TEAMMATES DESCRIBE THE SUIT AND WHATEVER 'EXTRA' FUNCTIONS IT HAS.</p> <p>ERIC And here we have the astronaut suit from Team Galactic, ____!</p> <p>____ DOES THE CATWALK. TEAM GALACTIC DESCRIBE THE SUIT AND ITS FUNCTIONS.</p> <p>ERIC <i>And now it's time to find who's suit looks the most outer space-ready! DR FAIZ KHALEED, have you made your decision?</i></p>
--	--	--	---

			<p>DR FAIZ KHALEED</p> <p><i>Yes I have, both teams did an amazing job! But I'm going to have to give the best astronaut suit award to Team _____!</i></p> <p>THE WINNING TEAM CHEERS</p>

Did you guys do that in space?</i></p> <p>ELLYA</p>

			<p><i>No lah Dr Faiz, we did it right here using camera tricks!</i></p> <p>MELYNNA <i>Check it out! We used this ironing board at an angle as a base, then we put this chopping board at what seems to be an elevated angle.</i></p> <p>ELLYA <i>So to the camera it looks like it's going against gravity, and that creates the cool effect!</i></p> <p>DR FAIZ KHALEED <i>Wow, and here I was thinking that it was rocket science!</i></p> <p>MELYNNA <i>Hm, speaking about rocket science, didn't Gabe, Wafiy and Erissa say that they wanted to take a trip on a rocket to outer space?</i></p> <p>ELLYA (to cam) <i>Ugh, can you imagine all the kinds of trouble they'd get up to up there?</i></p>

2.4	0:30	SEGMENT LINK	<p>Location: Lounge Area</p> <p>We join DR FAIZ KHALEED as he just finishes solving a Rubik's cube while blindfolded. All the Mouseketeers cheer when he's done.</p> <p>WAFIY <i>Wow DR FAIZ! That was amazing!</i></p> <p>DR FAIZ KHALEED <i>Thanks Wafiy!</i></p> <p>MELYNNA <i>DR FAIZ, you must be some sort of a genius to get on the astronaut programme.</i></p> <p>DR FAIZ KHALEED <i>Haha, I wouldn't say that. But when you train to be an astronaut, you have to be very good at solving problems and remembering things while under a lot of pressure.</i></p>

			<p>ERISSA <i>You hear that Faiz? You think you can handle it?</i></p> <p>FAIZ <i>Uh, I don't know?</i></p> <p>GABE <i>Well then, let's help you prepare, onto the next game!</i></p> <p>GFX TRANSITION</p>
2.5	4:00	GAME #2 - PLANETARY PURSUIT	<p>GABE <i>Alright, everybody... This game is called PLANETARY PURSUIT! And I'm sure you will be wishing you had paid more attention in astronomy class!</i></p> <p>ERISSA <i>In this game, you will have to take the planets from the box here and put them back in their correct places in the solar system</i></p> <p>GABE <i>The catch is that you have to go one by one, and you can only step on these half ball balances. Take as many planets you want in one go, but if you drop any of the planets, your teammate will have to retrieve them and bring it back to the start. If you fall off the half-ball balances, you have to go back to the starting line. And start all over again!</i></p> <p>ERISSA <i>Alright. Wafiy, Faiz and DR FAIZ, you guys are team..</i></p> <p>WAFIY/FAIZ/DR FAIZ <i>PLUTO!</i></p> <p>GABE <i>Okay - Eric, Ellya and Melynna - you are team...</i></p> <p>MELYNNA/ELLYA/ERIC <i>JUPITER!</i></p> <p>ERISSA <i>The team with the most planets in the correct places in their solar systems after 90 seconds wins! Team Jupiter, you're up first!</i></p> <p>TRANSITION WIPE</p>

			<p>TEAM JUPITER is going first</p> <p>GABE  <i>OK, Team Pluto, you'll need to be blindfolded so you don't get an advantage of seeing Team Jupiter play first.</i></p> <p>TEAM PLUTO put on their blindfolds.</p> <p>GABE  <i>TEAM JUPITER, are you ready?</i></p> <p>TEAM JUPITER  <b>YES!</b></p> <p>ERISSA  <i>Alright, start your planetary pursuit in 3, 2, 1...</i></p> <p>GABE/ERISSA  <b>BLAST OFF!</b></p> <p>TEAM JUPITER plays the game.</p> <p>ERISSA  <i>Alright, it looks like TEAM JUPITER got ____ planets in their correct positions! Congratulations! Now it's TEAM PLUTO's turn!</i></p> <p>TRANSITION WIPE</p> <p>TEAM PLUTO is on standby.</p> <p>ERISSA  <i>TEAM PLUTO, are you all systems go?</i></p> <p>TEAM PLUTO  <b>YES!</b></p> <p>GABE  <i>You have lift-off in 3, 2, 1...</i></p> <p>GABE &amp; ERISSA  <b>BLAST OFF!</b></p> <p>TEAM PLUTO plays the game.</p> <p>GABE</p>

I have a confession to make!</i></p> <p>MELYNNA <i>*pinching nose* I thought I smelled something weird!</i></p> <p>FAIZ <i>No, it's not that! Actually, I don't want to go to outer space.</i></p> <p>ELLYA <i>But, you applied to go to the MOuSE Institute, right?</i></p> <p>FAIZ <i>Well, the thing is... I actually thought I sent out an application to a different MOuSE Institute, which is the Malaysian Outdoor Society of Explorers. But I think I somehow mailed it to the wrong MOuSE Institute.</i></p> <p>We can see the rest of the Mouseketeers coming to a realisation.</p> <p>DR FAIZ KHALEED <i>Oh! So you don't actually want to go to space?</i></p> <p>FAIZ <i>Not really. I do like outer space, but to actually go up there...ummm (Faiz pulls an unsure face) ! I kinda like my feet planted firmly on the ground.</i></p>

			<p>The rest of the Mouseketeers laugh.</p> <p>ERIC <i>But Faiz, why didn't you tell us this earlier?</i></p> <p>FAIZ <i>Well, I kept it to myself because... You should follow your dreams, whether it takes you to space or to the wilderness.</i></p> <p>GABE <i>To the wilderness and beyond!</i></p> <p>Everyone reacts as if to say "Oh, Gabe..."</p> <p>MELYNNA Hey, if Faiz doesn't want to go, can I go?</p> <p>FAIZ I don't have a problem with that.</p> <p>MELYNNA YES!
